

# Jewel in the Night

So bright! Jewel in the night,  
There in the window below!  
So bright, or dark as the night,  
With all of your cities aglow

It has been our way to honor this day  
And offer goodwill to men  
and show, wherever we go,  
It's coming to Christmas again

So far shines every star  
There without limit to see  
So grand, on every hand  
Beckoning, calling to thee

And let it be known, wherever we go  
In all of the wonders above,  
With all that we bring, there's no finer thing  
Than His message, His promise of love

Love for the families that gather below  
Love for the stranger you may never know  
For those who aren't with you  
Who wander above

So bright! Jewel in the night  
There lies the cradle we knew  
The home of all that we love  
All of our memories too

It shall be our way to wander away  
And take with us all that we know,  
And never cease the message of peace,  
From Bethlehem so long ago.

And never cease the message of peace,  
From Bethlehem so long ago...

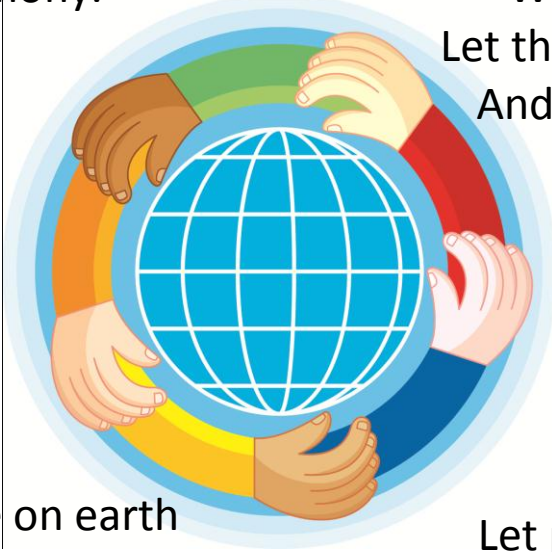

# Let There Be Peace On Earth

1. (Solo – girl)

Let there be peace on Earth  
And let it begin with me.  
Let there be peace on Earth  
The peace that was meant to be.  
With God as our Father  
Brothers all are we.  
Let me walk with my brother  
In perfect harmony.

2. (Solo – boy)

Let peace begin with me  
Let this be the moment now.  
With every step I take  
Let this be my solemn vow.  
To take each moment  
And live each moment  
With peace eternally.  
Let there be peace on earth,  
And let it begin with me.

3. (Choir)

Let there be peace on earth  
And let it begin with me.  
Let there be peace on earth  
The peace that was meant to be.  
With god as our father  
Brothers all are we.  
Let me walk with my brother  
In perfect harmony.

4. (Choir)

Let peace begin with me  
Let this be the moment now.  
With every step I take  
Let this be my solemn vow.  
To take each moment  
And live each moment  
In peace eternally.  
Let there be peace on earth  
And let it begin with me.

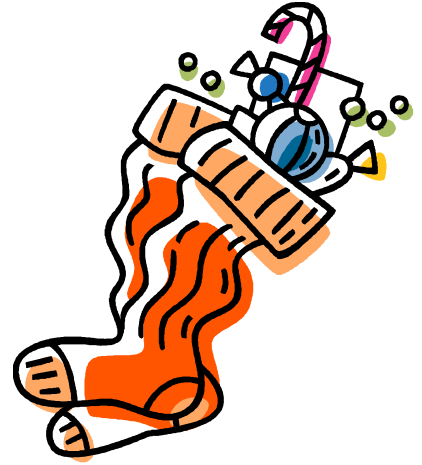

# We Need A Little Christmas

Haul out the holly  
Put up the tree before my spirit falls again  
Fill up the stocking  
I may be rushing things, but deck the halls again now

## REFRAIN

For we need a little Christmas  
Right this very minute  
Candles in the window  
Carols at the spinet  
Yes, we need a little Christmas  
Right this very minute  
It hasn't snowed a single flurry  
But Santa, dear, we're in a hurry

So climb down the chimney  
Put up the brightest string of lights I've ever seen  
Slice up the fruitcake  
It's time we hung some tinsel on that evergreen bough

For I've grown a little leaner  
Grown a little colder  
Grown a little sadder  
Grown a little older  
And I need a little angel  
Sitting on my shoulder  
Need a little Christmas now

Haul out the holly  
The ones that taught you all to  
Live each living day  
Fill up the stocking  
But Auntie Mae!  
It's one week  
Past Thanksgiving day now

## **REFRAIN**

So climb down the chimney  
It's been a long time since I've  
Done the neighbourly  
Slice up the fruitcake  
It's time we hung some tinsel on that may-berry bough

## **REFRAIN**

We need a little Christmas now!

## Jingle Bells

Dashing through the snow  
In a one-horse open sleigh  
O'er the fields we go  
Laughing all the way.  
Bells on bob-tail ring  
Making spirits bright  
What fun it is to ride and sing  
A sleighing song tonight.

Jingle bells, jingle bells  
Jingle all the way,  
Oh what fun it is to ride  
In a one-horse open sleigh, O  
Jingle bells, jingle bells  
Jingle all the way,  
Oh what fun it is to ride  
In a one-horse open sleigh.

# Rudolph the Red-Nosed Reindeer

(second time through, add the fun stuff)

Rudolph the Red-Nosed Reindeer (**reindeer**)  
Had a very shiny nose (**like a light bulb**)  
And if you ever saw it (**saw it**)  
You would even say it glows (**like a flashlight**)

All of the other reindeer (**reindeer**)  
Used to laugh and call him names (**like Pinocchio**)  
They never let poor Rudolph (**Rudolph**)  
Join in any reindeer games (**like Monopoly**)

Then one foggy Christmas Eve  
Santa came to say (**Ho-ho-ho!**),  
Rudolph, with your nose so bright,  
Won't you guide my sleigh tonight?

Then how the reindeer loved him (**loved him**)  
As they shouted out with glee: (**Yippee!**)  
Rudolph the Red-Nosed Reindeer, (**reindeer**)  
You'll go down in history! (**like Columbus**)
