Dear Parent,

The State of Texas 2019-20 School Report Card for Pearl Hall Elementary is now available. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be made available to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures. Due to COVID 19, STAAR assessments were cancelled for the 2019-2020 school year. Therefore, several data points have not been updated, including STAAR and academic growth data.

State law requires that the school report card display information about for the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

A more complete report about Pearl Hall Elementary, the Texas Academic Performance Report (TAPR), is available by contacting my office or can be accessed online at:

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Pearl Hall.

Sincerely,

Allison Tamez
